WWW Is ITE THE CANNON BALL CLOTHING COMPANY.

AT 7TH AND D STS. N.W., Are selling so much cheaper than all other clothius

Because they need money, and lots of it.

Because they have an over production of stock.

Because they must turn their stock into money.

Because their stock of clothing must go to pay bills and retain their working people, as we are now hard at work manufacturing our FALL STOCK for the coming fall. The last senson was very dull (as great many merchants will acknowledge) and we manufactured very extensively with great expectations, but disastrous to us, leaving us with our stock of clothing on hand and no money to pay off with, neither bill nor labor. The ladies can obtain any fancied color in Goat, Tan, Orange, Coffee, Wine color and so on. Their department for misses and children was never so complete before. Their famous \$3.50 Shoe is just as jopniar as ever, because it is such a rest for tired, aching feet. The ladies have a choice between dull or glate fanish and three different shapes of toe—broad, medium or narrow. This Shoe for men is built in several shapes, all of them next and dressy in appearance. Have you ever worn a pair? Try them. jel4-54
